OUR PROGRAM

Our K–2 program is specially designed for our younger adventurers, including children starting school for the year, while our 3–6 group offers age-appropriate fun for our older kids. On days when the 3–6 group is on site at OOSH, we try to head down to the park whenever possible for extra space, fresh air, and active play!

Excursions are planned with age groups in mind to ensure every experience is safe and engaging, with both age-based outings and exciting Joint Excursions where everyone hits the road together.
